Case No.: 12-CV-3393 YGR

**ORDER SETTING CASE MANAGEMENT
CONFERENCE; ORDER TO SHOW CAUSE**

15
16 The Court has read and considered the parties' Joint Statement Regarding Additional
17 Discovery. (Dkt. No. 231.) Given the Court's calendar, the Court hereby sets a case management
18 conference on **Friday, July 11, 2014 at 9:00 a.m.**, in Courtroom 1 of the United States Courthouse
19 located at 1301 Clay Street in Oakland, California. The personal appearances of counsel are required.
20 The Court intends to resolve at the case management conference the outstanding issues identified in
21 the Joint Statement, to the extent not resolved by the parties themselves.

22 To prepare adequately for the conference, the parties shall forthwith provide the Court with
23 copies of any contested written discovery and an outline of the objections thereto. Parties shall not
24 repeat objections where the same objection relates to multiple discovery requests. The parties are
25 advised to be efficient in their arguments. A response will be allowed orally at the conference. A
26 proposed form of order listing each issue shall also be provided.

27 The Court encourages the parties to agree mutually on a schedule for depositions prior to
28 Friday. To the extent that the parties cannot agree, the parties are hereby notified that the Court will

1 issue an order mandating a schedule. Failure to comply will result in the appropriate sanction,
2 including monetary and/or evidentiary in nature.

3 Given the limited scope of defendants' Motion to Dismiss AngioScore, Inc.'s Third Amended
4 Complaint (Dkt. No. 230) and its potential impact on discovery, the Court hereby advances briefing.
5 An opposition thereto shall be filed by July 15, 2014, and shall not exceed 15 pages in length. To the
6 extent that any additional facts exist to support plaintiff's claims as discussed therein, they shall be
7 proffered as part of the opposition. Failure to include such a proffer will be deemed as an admission
8 that no additional facts exist at this time. Defendants' reply shall be filed by July 22, 2014 and shall
9 not exceed 10 pages in length. To the extent the Court deems it necessary, oral argument shall occur
10 on July 29, 2014 at 2:00 p.m.

11 With respect to the case schedule, the Court will make necessary adjustments on Friday.

12 Finally, the parties are **ORDERED TO SHOW CAUSE** why Case No. 14-2946-LB, *TriReme*
13 *Medical, LLC v. AngioScore, Inc.*, should not be related to the instant case pursuant to Civil Local
14 Rule 3-12. Each side shall file electronically a separate written response to this Order to Show Cause,
15 not to exceed two pages exclusive of caption and signatures, by 5:00 p.m. on Thursday, July 10, 2014.
16 The Order to Show Cause hearing shall be held concurrently with the July 11 case management
17 conference.
